Relay for Life

Greg Franklin announced that our club will not have a team at the "Relay for life Event" at Oak Middle School this year because zero Rotarians were willing to spend the night on the cold ground. Instead our club will sponsor the Los Alamitos High School interact club.

Find Teams List

Find our team under **Rotary - Interact** and click on the team name. Then, click on any of the member names. Click Donate.

You can donate to any of our members, since all of us have to raise \$100.

Please give generously to the "Relay for life" volunteers. You can also join the team and walk for sponsorship as well. This is a truly great event to help find a cure for cancer.

Surgery

A patient wasn't taking any chances. Prior to her operation, she taped notes to her body for the surgeon... "Take your time," "Don't cut yourself," "No need to rush," "Wash your hands..."

After surgery, as the patient was being put back into her bed, she discovered a new note taped to her, this one from the doctor, "Has anyone seen my wristwatch?"
